Report of the Event:

A seminar was organized by Environment Committee on 17th of April 2023 on the theme 'Environment and We'. Mr Prasanta Kumar Sahoo was the esteemed resource person of the seminar. Mr. Dilip Kumar Bhuyan, Principal of the institution presided over the meeting and welcomed all the dignitaries on the dais followed by guest introduction by Mr. Alok Kumar Sahu, Lecturer in Philosophy. Mrs. Suchismita Biswal, Lecturer in Botany, Head of the Environment Committee delivered a keynote speech on the concerned topic. Mr Sahoo in his lecture elaborately narrated the co-relation effect between environment and us. He then explained the five elements of nature as a fundamental building block of our environment. He further encouraged students to come forward for protection and conservation of our environment. During discussion session he clarified all the doubts of students as well as of other participants. Students were highly enthusiastic upon the theme and expect such type of seminar to be conducted in near future. At last, Mrs. Shubhashree Pothal, Lecturer in Political Science proposed a vote of thanks and also assured that such programme would be conducted in near future to ignite the mind of students for betterment of our environment.

<p>Objective:</p> <ol style="list-style-type: none"> 1. To aware students the importance and need of environmental conservation and preservation. 2. To ensure minimal wastage as well as to facilitate waste disposal by various techniques like the 3R's i.e., Reduce, Recycle, Reuse and dry & wet waste segregation. 3. To aware students regarding the sound pollution and its adverse effect on human health. 4. To encourage students to take active participation in plantation and beautification in and around the college premises. 	<p>Outcomes:</p> <ol style="list-style-type: none"> 1. Students got to learn various idea for conserving and preserving of our environment. 2. For the holistic development of the institution a clean and green environment is essential. This idea was well implemented among the students. 3. Students got to know the various adverse effect of sound pollution on human health and as well as on the environment. 4. At last students took joint pledge to take active participation in plantation and various waste management programme for a sustainable environment.
---	--

Report of the Event

On the second day of Lecture series, organised by Environment Committee; a seminar was delivered on the topic '**Environmental Awareness**' by **Mr. Narayan Prasad Roul**, and he was the esteemed resource person of this seminar. Mr. Roul in his talk broadly explained current issues on adverse condition of our environment and its sustainability. He gave importance on taking care of planted tress rather than the rapid and random plantation. He aware students regarding the sound pollution which is currently an alarming issue for our society and environment. During discussion session he explained all questions raised from the participants. Students also proposed to initiate different awareness programme to tackle current environmental issues. At the outset of the programme, Mr. Dilip Kumar Bhuyan, Principal of the institution presided over the meeting and welcomed all the dignitaries on to the dais followed by guest introduction by Mrs. ShubhashreePothal, Lecturer in Political Science. Mrs. Suchismita Biswal, Lecturer in Botany, Head of the Environment Committee delivered a keynote speech on the concerned topic and explained the importance of ongoing Lecture Series. At last, Mr. Alok Kumar Sahu, Lecturer in Philosophy proposed a vote of thanks and requested all the participants to remain present at the 3rd and the final day of the Lecture Series.

**Academic Year:2022-23
Environment Committee**

<p>Name of the Activity:A seminar on 'Waste Management' Date:21.04.2023 (Friday) Resource Person:Mr. Shanti Swarup Biswal, Research Associate, School of Infrastructure, IIT Bhubaneswar</p>	<p>Duration- One Day Participants:Faculty –11& Students-53</p>
<p>Objective: 1.To explain the importance of waste management for environmental sanitation. 2.To evaluate the problems of solid waste and liquid management. 3.To distinguish between hazardous and non-hazardous waste and their management. 4.To discuss about the need of effective waste management policies.</p>	<p>Outcomes: 1.Students were well aware regarding waste management and environmental sanitation. 2.Students came to know the meaning and relevance of waste management for the betterment of our environment. 3.The '3R's of managing waste: Reduce, Reuse & Recycle' was the most vital outcome. 4.Students also learned how creating recyclable products support effective waste management.</p>

Report of the Event:

On the third day of the ongoing lecture series organized by the Environment Committee, a lecture was given on the topic '**Waste Management**'. **Mr Shanti Swarup Biswal, Research Associate, School of Infrastructure, IIT Bhubaneswar** was the esteemed resource person of the event. Mr Dillipkumar Bhuyan esteemed principal of the college presided over the meeting and welcomed all the dignitaries on to the dais followed by guest introduction by Mrs Shubhashree Pothal, Lecturer in Political Science. The head of the committee Mrs Suchismita Biswal, Lecturer in Botany delivered a keynote address on the concerned topic. After that, Mr Biswal explained the necessity of waste management for a cleaner and greener environment. His lecture mostly focused on the management of hazardous waste and solid waste generated inside the college premises. He then explained the concept of '**3R's**' i.e., Reduce, Recycle and Reuse of waste for a cleaner and greener environment. In the discussion session all the doubts of students were well explained and feedback assessment was done regarding the lecture which was found to be very satisfactory. It was very fascinating to see that students have proposed incredible idea for waste management and environment sanitization form their own. At last, Mr. Alok Kumar Sahu, Lecturer in Philosophy proposed a vote of thanks.
